

Dear Members,

Please see the attached meeting agenda for the February 4 meeting.

Because of the unprecedented disruption of the last meeting, the Policy Committee met on 1/20 to discuss the format of the February 4th Meeting. The Policy Committee adopted the following security measures:

1. The meeting will be streamed on Facebook Live. The public will be able to access the meeting by streaming it on their devices in real time.
2. Only members, staff, credentialed press, and invited guests will be allowed in the meeting room. Press and Guests will need to apply for credentials by February 1. This includes personal guests such as spouses.

The Policy Committee is using the precedent set several times in 2020 during the pandemic to arrange for public access through live video feed. With the disruptions during the September and December meetings there are serious public safety concerns. At the December meeting, several people received a lawful order from Delaware Sheriff's Deputies to leave the meeting and they refused. Public attendees do not have a right to participate in and disrupt our meetings.

Sincerely,

Justin Bis
